<b>Core Science, Group Two (Biological Science)</b>	<b>See SIUC UCC Substitution List</b> <a href="http://registrar.siu.edu/eval/pdf/rendcore.pdf">http://registrar.siu.edu/eval/pdf/rendcore.pdf</a>

Possible substitutions for additional Ag Business courses are evaluated on an individual basis.

The baccalaureate oriented associate degree (typically Associate in Arts or Associate in Science) satisfies the University Core Curriculum requirements for the Bachelor of Science in Agribusiness Economics. Students pursuing the occupational/vocational associate degree (Associate in Applied Science) should explore SIUC's Capstone Program.

Questions regarding approved substitutions for required courses for the BS in ABE should be directed to:

Steven Kraft, Chair, Agribusiness Economics, 618.453.2421, [sekraft@siu.edu](mailto:sekraft@siu.edu)  
 Charlotte Gibson, Assistant Dean, Agricultural Sciences, 618.453.3080, [cgibson@siu.edu](mailto:cgibson@siu.edu)
