\* required for Architectural Studies.

**All transfer courses must be passed with a minimum grade of B. Transfer students must have completed at least 30 hours with a minimum GPA of 3.0.**

Possible substitutions for additional Architectural Studies courses are evaluated on an individual basis.

The baccalaureate oriented associate degree (typically Associate in Arts or Associate in Science) satisfies the University Core Curriculum requirements for the Bachelor of Science in Architectural Studies with the possible exception of MATH 111, HIST 101a and HIST 101b. Students pursuing the occupational/vocational associate degree (Associate in Applied Science) should explore SIUC's Capstone Program.

Questions regarding approved substitutions for required courses for the BS in Architectural Studies should be directed to:
