Unit of Credit: Semester Hr.  
Senior Institution?: Yes

**ARTICULATION:** Beginning Fall 2003, the Associate degrees from Chapman University will not fulfill the University Core Curriculum requirements required for general graduation purposes at SIUC. If certification is presented that the associate degree included the California State Universities (CSU) General Education Requirements, the associate degree will complete the SIUC core curriculum requirements. Students should refer to the SIUC Undergraduate Catalog to determine if their major requires any specific University Core Curriculum courses.

**ACCEPTABLE CREDIT:** Courses numbered 100 through 499 will be accepted if satisfactorily completed. Applicability of all accepted credit will be determined by the Academic Support Programs section of Records and Registration and by the department of the students intended major. SIUC will accept and evaluate all transfer oriented/college parallel credit and coursework classified as vocational-technical. The University Core Curriculum Substitution List indicates the courses that will be accepted and evaluated as core curriculum credit. Courses/credit not on this list that are acceptable for other than core curriculum credit are evaluated by the academic unit/major of the student.

**GRADING SYSTEM:** A, B, C, D, F, I(incomplete), P(pass), NP(no pass), AU(audit), W(official withdrawal), FW(failure to withdraw = F), SP(satisfactory progress), NR(not reported), R(repeated course), NC(repeat the thesis course). SIUC calculates a GPA for admission purposes only and it is not included in the cumulative average, except for honors purposes.
