

COLLEGE OF APPLIED SCIENCES AND ARTS
Southern Illinois University - Carbondale
Course Substitution List

10/31/05

SIUC (2005-2006)
Program Acceptable

Ranken Technical College (2005-2006)
Electronics Engineering Technology

EST 100-Introduction to Electronics	NA
EST 101 & 111-DC-AC Circuit Analysis Lecture and Lab.	EET 1111-Principals Electronics I and EET 1112-Principals of Electronics I lab
EST 102 & 112-Electronics Circuits Theory Lecture and Lab.	EET 1211-Principals of Electronics II Theory and EET 1212-Principals of Electronics II/Digital Lab
EST 121-Advanced Analysis and Digital Fundamentals	NA
EST 201 & 211-Digital Circuits Theory Lecture and Lab.	EET 1200-Digital Electronics Theory and EET 1212-Principals of Electronics II/Digital Lab
EST 202 & 212-Telemetry and Industrial Circuit Theory Lecture and Lab.	EET 2111-Circuits, Signals, & Systems Analysis Theory I and EET 2112-Circuits, Signals & Systems Lab I
EST 221-Electronic Circuit Analysis	NA
EST 223-Electronics Certification Test Prep	NA
EST 224-Installing & Upgrading Computer Systems	CNT 1210-Microcomputer Hardware and Peripherals
IST 209-Introduction to Programming	EET 1100-C++ Computer Programming
HCP 105-Medical Terminology	NA
