-
1. Two options are available: a) outdoor recreation resource management and b) forest resource management.
 2. Required for forest resource management option only.
 3. It is recommended that this two course sequence be taken at the same institution.
 4. Required for outdoor recreation resource management option only.

The baccalaureate oriented associate degree (typically the Associate in Arts or Associate in Science) satisfies the University Core Curriculum requirements for graduation. University Core Curriculum coursework required for the Forestry degree is not automatically waived by the baccalaureate oriented degree.

Questions regarding approved substitutions for required courses for the Forestry degree should be directed to: Dr. John Phelps, Department of Forestry, Southern Illinois University at Carbondale, Carbondale, IL 62901 (Phone 618-453-3341)
