ARTICULATION: The Associate in Arts and Science degrees from Illinois Central College will fulfill the University Core Curriculum requirements required for general graduation purposes at SIUC. Students should refer to the SIUC Undergraduate Catalog to determine if their major requires any specific University Core Curriculum courses.

The Capstone Program provides full recognition of the Associate in Applied Science degree and similar two year occupational programs by outlining a (60) sixty semester hour program for the baccalaureate to those who qualify.

All other two-year associate degrees or certificate programs will be evaluated on a course by course basis.

ACCEPTABLE CREDIT: Courses numbered 110 through 299 will be accepted if satisfactorily completed. Applicability of all accepted credit will be determined by the Academic Support Programs section of Records and Registration and by the department of the students intended major. SIUC will accept and evaluate all transfer oriented/college parallel credit and coursework classified as vocational-technical. The University Core Curriculum Substitution List indicates the courses that will be accepted and evaluated as core curriculum credit. Courses/credit not on this list that are acceptable for other than core curriculum credit are evaluated by the academic unit/major of the student.

GRADING SYSTEM: A, B, C, D, F, FA(attendance failing), WF(withdrawal failing), FX(grade excluded), I(incomplete), S(successful), U(unsuccessful), W(withdrawal), NG(no grade/community education non-credit), NR(not reported by instructor). SIUC calculates a GPA for admission purposes only and it is not included in the cumulative average, except for honors purposes.

INFORMATION: For further information call Lee Fronabarger at (618) 453-2998 or email leepron@siu.edu. Up-to-date information on this school and others can be found on the Internet at: <http://registrar.siu.edu/eval/articpg.htm>
