**SPRING 2018 FINAL EXAMINATION SCHEDULE INFORMATION**

The Spring Semester 2018 final exam dates are  
Monday, May 7 through Friday, May 11, 2018.

Please read the below for information on the schedule of final exam times.

*In response to a Final Exam Scheduling Optimization and Recommendations proposal, the Faculty Senate has recently adopted a resolution for approval of the modification of the current final exam scheduling model. The Office of the Provost and Vice Chancellor for Academic Affairs concurs with the Faculty Senate and will be implementing this new model effective Spring 2018.*

*This new model will be optimized to minimize the number of students who are required to take 3 or more final exams on the same day.*

*Since this new model will rely on actual registration data for the current semester in which final exams are to be scheduled, the final exam schedule will not be made available until the 4<sup>th</sup> week of the semester. Course syllabi will need to reflect a "to be announced" final exam date until that time.*

*This document will be updated in mid-February 2018 with the actual final exam schedule once it has been determined. Until then, no one knows what the actual final exam schedule for Spring 2018 will be.*
