I wish to have my name permanently removed from the candidacy list for _____ graduation. I understand that once I have altered my application for graduation that it is final. I further understand that this will **not** negate any existing application fees, nor will it extend my original graduation application beyond the term specified.

Please choose one of the following two options

- 1) Remove altogether _____
- 2) Move to _____ (indicate graduation date)

NOTE: Moving the application beyond the next consecutive semester will require that a **new application** be submitted for the future semester.
