Approval for a registration overload must be requested by the student. The student's advisor should fill out this form and obtain the **Dean's signature** and forward to either the Registration Office (for undergraduates), Graduate Registration (for graduate students) or to the Law School Registrar's Office (for law students) for final processing. This form may also be used to lower a student's maximum hours. Please fill out the student's information and check the appropriate box. Also, indicate the reason for changing the student's maximum hours in the additional comments section. Then, forward to Registration for final processing (**lowering** the student's maximum hours does not require the Dean's approval, but the advisor should sign at the bottom of the form.
