Adjustment of Maximum Hours

The maximum number of hours of registration normally allowed for a student in good standing in Fall and Spring semesters is 18 for undergraduate and Law students, and 16 for graduate students. In Summer sessions, the maximum is now 12 for undergraduate students, and 9 for graduate and Law students. For students on scholastic probation, the normal maximum hours may be lower.

Students who wish to request a registration overload for a term should see their advisor or advisement unit to initiate the process. The student’s advisor has access to the appropriate form to be completed (the form is in the “Restricted Forms and Information” task within SalukiNet). The form requires signatures from the advisor and the Dean of the academic unit.
